

FEMA MEETING

Mayor Zahn, CAO Deborah Foshee, Emergency Management Director Doug Dodt and members of the administration met with FEMA representatives today at the Emergency Operations Center.

The mayor discussed the status of Kenner's recovery from destruction and damage throughout the city, including the City Hall complex.

FEMA updated the mayor on its door-to-door efforts to assist residents in Kenner neighborhoods and provided a list of several on-site locations where residents can talk to a FEMA representative about any questions or concerns.
